Removal Requests

- While we may honor shakedown requests at our discretion:
 - We are not obligated to remove content
 - Distributed copies may remain in circulation

Submission Guidelines

Content Acceptance Policy

- We welcome submissions on all topics, including:
 - Subjects/programs not currently offered on our platform
 - New or specialized areas of study
 - Creative educational approaches
- Submission does not guarantee immediate publication
- All content is archived for potential future use

Recommended Submission Standards

For optimal acceptance and usability, we advise contributors to the following:

Video Content:

- Preferred length: 3-15 minutes per specific topic
- Longer videos accepted but may be segmented

Curriculum-Based Materials:

- Align with standard educational programs
- Clearly state:
 - Program level (e.g., "Grade 10 Biology")
 - Specific topics covered
 - Learning objectives

Review & use:

- All submissions will be evaluated
- Notification of acceptance within 30 days
- Submissions may be edited for clarity or length.
- Contributors will be notified of significant modifications
- Not all content will be posted immediately (may be saved for future use).
